

MOSMAN SYMPHONY ORCHESTRA CONCERT DATES AND PROGRAMS FOR 2021

Welcome back everyone! On the following pages are dates and proposed programs for 2021. Planning for this has been quite challenging, as the pandemic has made even the most simple of things uncertain. To that end, there are 3 programs of music for each concert, ranging from normal concert going to very restricted, with a middle ground as well. We will plan on performing the middle ground at least all year, and cross fingers at some stage can resume normal concert performances!

In the meantime, these pieces are by not set in stone. As circumstances change, so will works. All wind, brass and percussion – think of chamber pieces to add to our programs, so you can be more involved. (Let's face it, you know your repertoire better than I do!) If anyone has suggestions, please email them to me!

I'm looking forward to seeing many of you on February 3.

Cheers

Andrew
